

Your donation really makes a difference...

"In the early hours of the morning Pam died, peacefully, surrounded by her family and with Ruby, her ever-faithful terrier on the bed, exactly the way Pam had wanted. None of this would have been possible without the wonderful support from the Hospice. Words cannot fully describe how much this support meant to us, and still does. HospiceCare support in the home is so important. It is invaluable and for it to continue, we need all to dig deep and donate." Judi - March 2018

HospiceCare has been part of our community for more than 20 years, providing end of life care to local people and support to their families. Since 2008 our focus has been on supporting those who wish to die at home rather than in hospital. We call this service Hospice at Home. **Our services are free, and a GP referral is not required.**
