

# Become a Friend of HospiceCare Regular Giving – Why support us?

HospiceCare has been part of our community for more than 20 years, providing end of life care to local people and support to their families. Since 2008 our focus has been on supporting those who wish to die at home rather than in hospital. We call this service Hospice at Home.

Our services are free, and a GP referral is not required.

In the last two years demand for our Hospice at Home services have increased significantly. This year we need around £525,000 and with just 7.5% being contributed by the NHS we have to raise £485,000 through regular giving, local donations, hospice events, community fundraising and grants from trusts.

**As an independent charity, our income is not supported by national charities such as Macmillan and Marie Curie. Your donation to HospiceCare stays with HospiceCare, supporting people in your local community living with a life-limiting illness.**

## Please support us by making a donation today by:
